

Saint Mary of the
Immaculate Conception Church

Grand Reunion and Reception

TO

REVEREND EDWARD M. HARTIGAN, Pastor

State Armory, Everett, Mass. ~ ~ May 22, 1953

Acknowledgments

The enthusiastic support given by so many parishioners, who served as a committee for this event is most encouraging to the clergy. It is gratifying to realize that so many were so willing to concentrate their efforts for the past three weeks toward the success of this reunion and reception. To the committee, the sponsors, the patrons and to those present this evening, as well as to the many who were unable to attend, we express our gratitude.

REVEREND WILLIAM V. O'NEILL
Honorary Chairman

To single out a few would be to slight many who made possible the success of this reunion and reception. Your presence in the hall tonight is evidence and concrete proof to our beloved pastor that the Immaculate Conception Parish is ready to support an active adult social program and to cooperate in his planned youth activities movements. I appreciate the co-operation received during the planning stage and am certain that in future events there will be the same desire to further the success of parish functions.

WILLIAM P. CANTY
General Chairman.

...Program...
